

Scary HR Stories

The world of HR keeps getting more complicated, with changing court decisions and expanding employment laws. And, at the same time, people still make poor decisions. Combine those two things and you have the potential for disaster.

This session will focus on some of the changing trends in employment, some of the common mistakes we see employers make, and it will also provide some tips on how you can avoid becoming a Friday the 13th horror movie!

Cost: FREE
